OUR MISSION

We, the Sisters of the Holy Family of Nazareth, are called to extend the Kingdom of God's love among ourselves and others by living the spirit of Jesus, Mary and Joseph to whose lives were centered in the love of God and one another. We witness this love through dedicated service to the Church, especially in ministry to the family.

In 2025, we celebrate the 150th Anniversary of our Congregation.

Our desire is that this time will revive in us the joy of participating in the charism of Nazareth and the desire to share it with others. We want everyone to feel invited to prepare, implement, and participate in these common activities. We have been blessed with many gifts and talents, and our desire is that they will serve to build our identity, unity, and greater love for God, Sisters, and the people among whom we live and work.

OUR VALUES

The Sisters of the Holy Family of Nazareth in Holy Family Province adopted the following Value Statements in 2017. The Value Statements capture the essential elements of Nazareth spirituality in Gospel living and give expression to the sisters' life and mission.

We, Sisters of the Holy Family of Nazareth (CSFN), are an international Roman Catholic congregation of vowed religious women dedicated to spreading the Kingdom of God's love, particularly within families. We do this by serving families through active ministry in schools, hospitals, parishes, prisons and social service agencies. We also spread the Kingdom through our daily living in a community of prayer and commitment to God and the Holy Family.

Today, this vision of Nazareth is being lived by over 1,000 sisters serving in 14 countries. We are joined by 700 lay associates.

Our Congregation has seven provinces, including the U.S. province. We also have mission homes in Israel and Ghana, and a region in Ukraine. Under the direction of the CSFN General Administration in Rome, our Sisters in these areas dedicate themselves to spreading the kingdom of God's love.

FAITHFUL LISTENING

Faithful listening: a way to claim and celebrate our identity in life and ministry; a way to hear the voices (new and old) within our hearts and within our world as a call to growth and development; a way to let God's Spirit overshadow us and our mission; a way to be open to taking risks for the sake of mission.

LOVING RELATIONSHIPS

"Love" is the very heart of Nazareth, modeled on the relationship among Father, Son and Spirit in the Trinity and among Jesus, Mary and Joseph in the Holy Family. The selfless, life-giving love of an infinitely generous God compels us to form loving, compassionate and reverential relationships in our personal, communal and ministerial lives. Since the family is the first school of love, we are committed to the strengthening of family life in whatever ways we are able.

RECOGNIZING GOD IN THE EVERYDAY

We are building God's reign of love in our world, step by step, moment by moment, here, in this place. The people we encounter are the sons and daughters of God. We must know and believe that. The more we recognize that God is in the daily, the more compassionate and caring we become. We endeavor to act from a transformed consciousness.
